

## **Linda Lance**

### **BLM Deputy Director**

Linda Lance was named BLM's Deputy Director for Policy and Programs in October 2013.

Prior to coming to BLM she served as Senior Counsel to the Senate Energy and Natural Resources Committee from 2009-2013. She has extensive experience in natural resources, energy and environmental issues, including work as Associate Director for Energy, Transportation, Clean Air and Lands Management of the White House Council on Environmental Quality; Senior Policy Analyst in the Office of the Vice President; and Vice President for Policy of the Wilderness Society. She also spent ten years as a litigation attorney and supervisor at the US Department of Justice.
